PROFILE

I am a fullstack developer with a keen interest in React, MERN stack, and React Native development.

As an entrepreneur and passionate learner, I have taken online courses and participated in coding boot camps to acquire the fundamental skills necessary to become a successful fullstack developer. Through these experiences, I have gained a solid understanding of HTML, CSS, JavaScript, and other front-end development tools.

As a hardworking individual and a team player, I am excited to apply my knowledge and skills to contribute to meaningful projects that positively impact the lives of users.
